

## VARILIGHT Remote Control Handset

Doyle & Tratt Products Ltd, Carylls Lea, Faygate, Horsham, W. Sussex, RH12 4SJ, UK. +44 (01293) 223333  
Varilight Europe Kft, 2600 Vác, Althann Mihály Frigyes utca 2, Hungary

This handset is designed for use with VARILIGHT Remote Control Dimmers. It is an optional extra because the dimmers can be taught to respond to a spare button on any remote controller. This dedicated controller can operate up to 7 dimmers independently. Button 8 is the "Master Button" (see below).

Before use 2 x AA batteries must be fitted.

**Batteries are not included.**

1. Slide open the back cover in the direction of the arrow on the casing;
2. Place the batteries inside paying attention that you place them the right way round (see diagram inside controller);
3. Slide the cover back into place.

VARILIGHT Remote Control Dimmers are preset to respond to buttons 1 and 8 on this controller. You can teach a dimmer to respond to a different button from 2 to 7 (follow the instructions on the back of the leaflet accompanying the dimmer) but it will always respond to button 8. If you have several VARILIGHT Remote Control Dimmers, you can control them all simultaneously from button 8 on this controller. (Use this function to turn all the lights on or off after the individual dimmers are set to create a lighting "scene" that you want to repeat).

### GUARANTEE

Important: In case of any defect return the dimmer to our service department. This guarantee is in addition to and not in derogation of the statutory rights of the purchaser and is offered so that you may have the benefit of our technical facilities. Should any defect occur in this unit within 12 months of its purchase we will replace or repair the defective unit free of charge provided that:-

- a) The unit has not been tampered with or taken apart.
- b) It is securely packed and safely returned to either address listed in the overview section above, together with a letter stating the guarantee registration number below, the date and place of purchase, your contact details and return address, the type and wattage of the lighting or other load being controlled and the details of the fault. This guarantee states Varilight's entire liability, which does not extend to cover consequential loss or damage or installation costs arising from a defective product. This guarantee does not in any way affect the statutory rights of the purchaser and is offered so that you may have the benefit of our technical facilities.

In many cases products don't need replacing, so for further information and help with troubleshooting, see our FAQ page at [www.varilight.co.uk/faqs](http://www.varilight.co.uk/faqs), or contact our Customer Services by calling +44 (01293) 223333 or create a support ticket at [www.varilight.co.uk/help](http://www.varilight.co.uk/help).
